1. It was Black Friday. I needed to buy Christmas gift. They needed to be cheap. I didn't have much money. I went to the store. It was crowded. I found some stuff. I bought it. I came home. There was a lot of traffic. I was happy to get cheap presents.
2. My dad put up Christmas lights. We like to have a lot of lights on the house. He went up on the roof. He strung the lights. He slipped and fell. A string of lights caught him. He was hanging by one leg. He got back up. He continued putting up lights. He finished. We all went outside to see. There were a lot of lights. We blew a fuse. Our lights went out and so did our neighbors.
3. There is a needy family at our school. They have four kids. We decided to buy them stuff for Christmas. We bought them gifts. We bought them food. We took it to them. They said, "Thank you."
